

Who is  ?

Goin' Postal has been in business since November 2013. Christine and Vince Malcolm own the store and son Anthony is the Manager. They are a family-owned and operated business. Occasionally their other son, Nick, will also help in the store. It is not uncommon to see the whole family there! Their 13-year-old son, Andrew, does cyber school and therefore is at the store everyday as well.

Goin' Postal is your one-stop shop for shipping and packaging with FedEx, UPS, USPS, and DHL. They also offer copy, fax, laminate, and bind services. Christine is a Notary Public for notarizing documents and signatures. They have mailboxes to rent too.

They provide Fieldprint FBI Fingerprinting services. Photo printing services such as canvases and posters as well as your standard 4x6, 5x7, and 8x10 prints can be done on the premises.

Their goal is to provide friendly, courteous, and reliable service to all who enter through their door. They strive to learn to know their customers and their needs and offer the best pricing possible.

They are open Monday through Friday from 9:00 a.m. to 5:30 p.m. and on Saturdays from 9:00 a.m. to 1:00 p.m. They are closed on Sundays.

Additional information on services can be found at www.goinpostal.com
